

Changeable Headbands

Designed by Ann Butler Designs for Velcro USA Inc.

Customize your headbands with different embellishments to change up your look and match your outfits. These headbands are quick & easy to make in less than 30 minutes.

Tip: Headbands can be embellished with a variety of lightweight, plastic items—avoid heavy or bulky items.

Note: the adhesive is not intended for use with fabrics.

INSTRUCTIONS:

Peel adhesive liner from loop (soft) side of a Mini Fastener and place on headband where desired. Peel liner from hook (rough) side Fastener and press onto embellishment. Repeat for more embellishments. Attach embellishments to headband. Change out as desired for a new look.
